

## Seminar mit Marina Delsink & Esther Niemeijer

Wann: 11. August, 09.00 Uhr – 16.00 Uhr

Kosten: 100 €

A seminar about connection, flow, communication, about feeling, about letting things happen...

Dancing with dogs is all about the harmony between dog and handler, accentuated by music and attire, creating a magical show, that looks easy to an audience or a judge.

Sometimes, only sometimes, it CAN be easy. When all things just fall into place. Wouldn't it be awesome if this can happen more often?

Only... how can this happen? Can we influence this? Yes we can!

This seminar will be all about the search to find the magic of moving together as one.

We promise you an intense and valuable day.
